Fee Schedule

The Fee Schedule outlines the cost which we will charge for the administration services we supply to you. If we decide to change any of the fees set out in this Fee Schedule, we will provide you with at least 30 days' prior notice of the change.

The Fee Schedule doesn't include any product fees that may be charged by a third-party product issuer, government charges, government levies, investment costs, insurance costs or other costs you may incur in running your SMSF.

Where government charges and taxes apply, these are payable by you. The fees payable under this agreement are in Australian dollars and are inclusive of GST. If the GST payable on those fees increases (for example, as a result of an increase in the GST rate) our fees will correspondingly increase without further notice, to take account of the increased GST payable.

In establishing your SMSF we will charge the fees related to the set up of your SMSF up front.
